The Ultimate Emotional Survival Guide for Empaths & HSPs™s

Empathy is the capacity to understand or feel what another person is experiencing from within their frame of reference, that is, the capacity to place oneself in another's position. There are many definitions for empathy that encompass a broad range of emotional states. Types of empathy include cognitive empathy, emotional empathy, and somatic empathy.

Everyone wants to know how to identify a sociopath, it's one of the most frequently asked questions I get. The problem is that no one has discovered a definitive means of identifying them, even in a clinical setting with trained psychologists, even with a brain scanner. For the average layperson ...
