

**english colonization ideas in pdf**

Space colonization (also called space settlement, or extraterrestrial colonization) is permanent human habitation off the planet Earth.. Many arguments have been made for and against space colonization. The two most common in favor of colonization are survival of human civilization and the biosphere in the event of a planetary-scale disaster (natural or man-made), and the availability of ...

**Space colonization - Wikipedia**

The European colonization of the Americas describes the history of the settlement and establishment of control of the continents of the Americas by most of the naval powers of Western Europe.
