Autodesk Media and Entertainment is a division of Autodesk which offers animation and visual effects products, and was formed by the combination of multiple acquisitions. In 2018, the company began operating as a single operating segment and reporting unit.

### **Autodesk Media and Entertainment - Wikipedia**

Entertainment is a form of activity that holds the attention and interest of an audience, or gives pleasure and delight. It can be an idea or a task, but is more likely to be one of the activities or events that have developed over thousands of years specifically for the purpose of keeping an audience's attention. Although people's attention is held by different things, because individuals have ...
