Erotic literature comprises fictional and factual stories and accounts of human sexual relationships which have the power to or are intended to arouse the reader sexually. Such erotica takes the form of novels, short stories, poetry, true-life memoirs, and sex manuals. A common feature of the genre is sexual fantasies on such themes as prostitution, orgies, homosexuality, sadomasochism, and ...

Yup, that's it. It's just a list of the names of the files in your manuscript folder that you want to appear in your book, in the order you want them to appear. Think of it as your Table of Contents. Book.txt and the manuscript Folder. You may have noticed that the list of files in Book.txt does not have to include all of the files in your manuscript folder.
