evaluation of archival institutions pdf

We are the only department in the UK which holds together in one place programmes in library and information studies, information science, archives and records management, publishing, and digital humanities.

Information Studies - UCL - London's Global University

An Open Archival Information System (or OAIS) is an archive, consisting of an organization of people and systems, that has accepted the responsibility to preserve information and make it available for a Designated Community.. The term OAIS also refers, by extension, to the ISO OAIS Reference Model for an OAIS. This reference model is defined by recommendation CCSDS 650.0-B-2 of the ...
