fantasy book introduction the pdf

Fantasy is a genre of speculative fiction set in a fictional universe, often without any locations, events, or people referencing the real world. Its roots are in oral traditions, which then became literature and drama. From the twentieth century it has expanded further into various media, including film, television, graphic novels and video games.

Fantasy football is a game in which the participants serve as the general managers of virtual professional gridiron football teams. The competitors choose their team rosters by participating in a draft in which all players of a real football league are available. Points are based on the actual performances of the players in the real-world competition.
