Fashion Illustration is the art of communicating fashion ideas in a visual form that originates with illustration, drawing and painting and also known as Fashion sketching. It is mainly used by fashion designers to brainstorm their ideas on to paper or computer, using digital software like Adobe Photoshop and Illustrator, which helps them to communicate easily with their team.

The 1920s saw a modernisation in fashion. It continued the change from more restrictive fashions of the Victorian and Edwardian period towards looser clothing which revealed more of the arms and legs, which had begun at least a decade prior with the rising of hemlines to the ankle and the movement from the S-bend corset to the columnar silhouette of the 1910s.
