Here is the comment I made when I inaugurated this list on 1 September 2004; since then, the list has evolved to encompass both vocal and instrumental musical compositions: Today, I thought I'd share with my readers a new feature for "Notablog" and a new page on my site. I have been promising readers to inaugurate additional "My Favorite Things" pages, pointing to such things as favorite books ...

Midnight in Paris is a 2011 fantasy comedy film written and directed by Woody Allen. Set in Paris, the film follows Gil Pender, a screenwriter, who is forced to confront the shortcomings of his relationship with his materialistic fiancée and their divergent goals, which become increasingly exaggerated as he travels back in time each night at midnight.

The Great American Songbook, also known as "American Standards", is the canon of the most important and influential American popular songs and jazz standards from the early 20th century. Although several collections of music have been published under the title, it does not refer to any actual book or specific list of songs, but to a loosely defined set including the most popular and enduring ...
