But we still need to pay for servers and staff. For 22 years, my dream has been to build the library of everything and make it available to everyone. I know we could charge money, but then we couldn't achieve our mission. The Internet Archive is a bargain, but we need your help. If you find our site useful, please chip in. Thank you.

8 At the Still Point Dusk was the only time I read; the rest of my waking hours I played, hard, as if I had been given only four months to live. There seemed nothing ordinary about Ordinary Time. Years later I would scribble in a notebook, I read poetry in springtime, novels in the winter, how-to books in autumn and baking recipes. But

At first, I was loving this book! It started out doing a great job of describing that 'still point' and getting down to practicality on the whys and hows of it! Sometimes Zen Meditation can be confusing, or even frustratingly contradictory when people write about it this book was not- at least not until the last few pages.
