What's the right job for you? Landing your first job can be tricky. How do you gain experience if an employer won't hire you due to lack of experience? Should you settle for a low-paying job just to get a foot in the door? How high should you set your expectations for a first-time job? A first job can be just that -- a way to make some money.

Strategies For Landing a Job In Audio Production. As we said earlier, finding a good audio production job is probably going to take more than just mailing out a bunch of resumes to companies that don't know anything about you. Here are a few things you can do to be a bit more strategic in your search for a job.
